

GENERAL FIELD TRIP RELEASE

Your permission is necessary in order for your child (ren) to participate in any field trips organized by the SCA facility

Prior to each field trip, you will be notified in writing of the dates, time, location and mode of transportation. The majority of field trips will utilize private vehicles driven by staff members, parents, or adult volunteers.

The teacher(s) will provide supervision for field trips which will include staff members and may include parents or other adult volunteers. All adult supervisors must have passed a background check. However, even with adult supervision, these activities involve the possibility of injury or death. Your signature below is an acknowledgement that you recognize that risks are inherent in any such activity, and that, on behalf of your child (ren), you accept these risks and agree to hold the school harmless when the school has made a good faith effort to supervise and protect your child.

I hereby authorize my child (ren) to participate in all field trips within a 45 mile radius and understand that my child (ren) will be transported as described above. I understand and accept that if my child (ren) is transported in a private vehicle, the private liability insurance coverage, not school insurance coverage, will be the primary coverage for this trip.
