## **PRINCIPLES OF CONDUCT**

We believe that each individual has the right to freedom of expression, and the responsibility to recognize and respect limits. Thus, regulations are in place to ensure that each person's freedom is protected and that each person's physical, psychological, and spiritual well-being is guarded.

We believe that there are moral obligations that have their origin in God and that we must try to live each day with these in mind.

Since Sisters Christian Academy values the growth of each individual student as guided by positive ethical and moral traditions, we expect our students to:

- 1) be tolerant and respectful of everyone in our community, including the personal property of others and of the school.
- 2) value honesty and integrity in their daily lives both academically and socially.
- 3) abstain from the use of intoxicants, "mood drugs," or alcohol whether on or off campus.
- 4) abstain from sexual behavior and from inappropriate displays of affection.
- 5) follow all safety regulations.
- 6) meet all of their scheduled commitments.
- 7) follow the spirit of the school's handbook expectations while on and off campus and at school.
